Re: *United States v. Dayton Charles Sauke*
Crim. No. 21-CR-36 (NEB/DTS)

Dear Judge Brasel:

The parties to this case have reached an agreement that will resolve it short of trial. Accordingly, I write to ask to suspend the pretrial motions process and to withdraw the motions on file with the Court. In the unlikely event that the agreement falls apart, I will seek leave of the Court to resuscitate the motions process.

Please let me know if this raises any questions or concerns.

Sincerely,

GOETZ & ECKLAND P.A.
